Diyas Salon and Spa is one such centre in Mangaluru, located at the ground floor of Excel Mischief Mall, which gives all types of treatment enhancing the beauty of a woman. With the help of modern technology and traditional treatment, the experts of Diyas help women to shine in their beauty and fitness. It provides a whole range of traditional and holistic Ayurvedic treatments for women. All therapists are well trained and provide authentic wellness services.

Diyas Salon provides packages of threading, waxing, bleaching, hand and feet services, facial, haircuts, special flavor waxing, cleanup, hair wash, henna, hair spa, hair straightening, bridal dressing, and hair coloring with quality filled service and attractive atmosphere. The firm provides exclusive treatments like Shiro Dara, Body Spa and Beauty Studio Treatment.

The spa is dedicated to offer holistic wellness services designed to suit customerâ€™s specific needs. The staff is well versed with a range of therapies and is committed to provide quality service and complete satisfaction for every customer. They operate in a luxurious environment and work with quality products to ensure customers walk out feeling fresh, happy and rejuvenated.

“We have custom-made products ensuring each skin is treated based on its condition. Every skin is different and should be treated differently. We want to make sure that our clients' skin is treated rather than just layer it with additional chemical products which damage the skin even more by giving just a temporary glow. Clients, who have understood and noticed skin results after our treatments, never leave us. In every profession, there is competition and I view it the healthy way. It takes courage to take on the big guns of the beauty industry. But for several women, a bit of bravado and great ideas is paying off. Earlier, we had to explain the benefits of our treatments. But now, things have changed. People understand the treatments which make our job a lot easier,” says Vijaya Lakshmi Shetty, managing director, Diyas Salon and Spa.
