Celina Prabhu (40yrs), needs to live separately with her aged mother as her siblings have occupied their ancestral house without allowing celina to stay with them.

celina is planning to build a small house in Manjeshwar. She is single and daily wage earner. She was working as housemaid and home nurse in Mangaluru. But she has no work now. It is impossible for her to build a house without getting financial support from generous donors. Since the need is genuine, please send your kind remittances to her following bank account:
