Mangaluru: The city east (Kadri) police station has registered a complaint about a girl student pursuing SSLC going missing. She reportedly had left home with the purpose of collecting her SSLC exam hall ticket.

Bheemavva alias Sujata (16) had left her home, duly informing the family members that she would be back after collecting hall ticket for her examination from her school.

She did not come back and efforts to trace her have gone in vain, her family has said.

Bheemavva alias Sujata's height is 5'1" with normal complexion. She has a long face and was wearing red churidar when she left home. She can converse in Kannada and Tulu languages.

Kadri station house officer has requested people having any information about the girl to Kadri (Mangaluru east) police station.
