Real Estate

Buying, Selling or Renting Apartments, Condos, Bungalows, Semi-detached Houses, Single detached houses. His efficient, quality service and dedication of work towards his clients has earned him the Outstanding Sales Achievement Award. He will not rest till he finds the right home to settle his clients as per their requirements and to suit their pockets.

New Immigrants Settlement Services includes but not limited to lending a helping hand to new Immigrants in settling and adjusting to the new place. With his valuable suggestions and expert opinion, he is actively involved in helping in the settlement of not only the Indian Community but anyone else who may require his help. He is an active member of the Mangalorean Association of Canada (MAC).

From picking up from the Airport as you land onto Canadian soil and making arrangements for temporary stay, Ronald Mathias and his team of dedicated workers provide the much needed guidance in settling down without much hassles. They help you in all the initial procedures required by new immigrants to follow such as opening of bank accounts, health cards, Social Insurance Number (SIN) card, Driver's license, school admission, library cards etc. They also assist in filing the Child Tax Benefit applications for kids under the age of 18 years and also in completing GST (Goods and Services Tax Credit) application for all adults and kids.

Income Tax Consultation

Ronald Mathias and his team provide valuable information in filing the tax returns of new immigrants, salaried employees, commission salesperson, self-employed, students, seniors and non-resident clients – a procedure which is mandatory every year. He has successfully completed the prescribed taxation studies with H&R Block, a tax company and worked with them for 6 years to gain better knowledge about the Canadian taxes.

Registered Education Savings Plan

A less known aspect but a very crucial one is the savings for your child's higher education after high school. We sell the RESP and provide guidance for special savings account to help you and your family in taking care of the children's university expenses. Though the education up to Grade 12 is free in Canada, University can be a financial burden. But early investment in RESP takes the future worries away and you can see your funds grow by the time your child is ready to step into the university or college.

Mortgages

Ronald Mathias is an Accredited Mortgage Professional and a Member of the Canadian Association of Accredited Mortgage Professionals for the last 15 years. With his experience of over 7 years working as a Financial Advisor with TD Canada Trust Bank, one of the largest banks in Toronto, he has exposure in a wide range of products and services incorporating lending, investments and day to day bank accounts. He can get you the much needed mortgages for housing or other purposes. He can get the best possible products and negotiate the most competitive rates for his clients with his dealing with over 40 lenders. His commitment to deliver efficient and personalized services to his clients has earned him many friends who have been completely satisfied with his services.
