The Real Housewives of New York took over Miami after jetting in for a bikini break. Bethenny Frankel, 48, and Luann de Lesseps, 53, were the first to strip down to their swimsuits, proudly parading around in skimpy two-pieces.Â Sonja Morgan, 55, Dorinda Medley, 53, Tinsley Mortimer, 43, were also spotted by the pool at a luxury beach-side hotel.

But there's no doubt Ramona Singer, who was dressed in a white bathing suit and cover up, was the talk of the trip.

Just hours earlier, a surprising photo emerged showing the 62-year-old kissing Housewives womanizer Harry Dubin, who previously had flings with both Sonja and Luann.
