She is pretty, and she is hot. But in her latest photo, she amps up the hotness quotient by 100 notches.

We are talking about Kiara Advani. The sweet-faced young actress who never ceases to amaze the audience with her beauty and boldness took the Instagram to post her sexiest photo till date. Kiara flaunted her incredible figure in a very skimpy bikini with a natural background. Like most of the B-town celebs, the 26-year-old is out of India on vacation to ring in the New Year 2019.

Kiara Advaniâ€™s Instagram feed mostly has pictures of the girl twirling in designer lehengas. The snaps would show her either walking the ramp or attending weddings and parties in traditional wears. But it seems like, the Lust Stories star is all set to step out the girl-next-door shadow in the coming year. She does this by posting a scorching hot photo, her hottest till date on the photo-sharing platform.

Wearing a racy black bikini, the saucy still shows the sexy bareback of the young star. The last time Kiara flaunted her hot figure in a tiny swimsuit was during her shoot with Maxim magazine in 2014. Yes, that was ages ago when Kiara was making her debut with Fugly! **Go check out the new pic of Kiara Advani look sizzling hot in a black swimsuit.**
