She quit showbiz to focus on life with her beau and his children Lorenz, 11, Tate, nine, and Tia, six,.

And Kate Wright proved she is taking to life away from reality TV perfectly, as she enjoyed a trip to Dubai with footballer Rio Ferdinand where the duo looked happier than ever while cosying up poolside, where she lay on his chest in an extremely sweet display before exchanging giggles and chats.

The 26-year-old former TOWIE star showed off her sensational figure in a scanty black bikini as she chilled out alongside her beau in the plush hotel, while he displayed his athletic physique in simple black swimming trunks - making their holiday ensembles extremely complementary.
