She is no stranger to flaunting her figure in an array of skimpy bikinis, during her appearance on MTV's Ex On The Beach.

And Jess Impiazzi, 27, was back to her old skin-flashing ways as she stripped down to her saucy lingerie or in some cases down to her birthday for her racy calendar shoot.

The stunning reality star showcased her enviable curves and perky posterior as she posed completely naked in a behind-the-scenes glimpse of her pulse-racing calendar.
