A PAIR of naked news anchors have been showing off their boxing in the buff skills as they spar with Jenny Scordamaglia for the title of raunchiest reporters.

Eila Adams and Isabella Rossini were certainly delivering some on-the-spot raunchy reportage during their Beach Boxing Battle.

*Isabella Rossini pulls no punches, that's for sure*

This battle of the babes featured during the "Flex Appeal" section on the Canadian based Naked News network.

The subscription station bills itself as "the programme with nothing to hide".

And Eila and Isabella make sure that the ethic and standards of the network were strictly adhered to.

*It's all about blocking a punch and making sure you get a chance to land one yourself*

*Fight back 'Eila has Isabella on the defensive*

*The beach is not just for volleyball you know*

As bold as brass they squared up to each other starkers and begin delivering some well placed blows.

Their exposure was sure to put them in the ring alongside blonde bombshell Jenny Scordamaglia for rampant exhibitionism.

In fact Elia has already featured with Jenny in The Naked Kitchen show on Miami TV.
