She's a long way from Downton Abbey! Lily James goes completely NAKED as she romps with Jai

29/12/2018 08:53 by admin

She's best known for playing quaint characters, such as Lady Rose MacClare in Downton Abbey, and the leading role in Disney's Cinderella.

But Lily James has made quite the departure from her comfort zone as she goes completely naked for romp scene in gritty new movie, The Exception.

The 28-year-old bares all, wearing nothing but a long silver pendant in the eye-opening bedroom scene with Jai Courtney.
