Emilia Clarke strips completely NAKED for steamy sex scenes in new thriller The Voice From The S

29/12/2018 08:53 by admin

She's appeared nude as fearless heroine Daenerys Targaryen in Game Of Thrones.

And Emilia Clarke has now stripped off on the big screen, appearing nude in her new thriller, The Voice From The Stone.

The star, 30, will no doubt shock audiences with her racy sexy scenes as she romps with her co-star Martin Csokas.
