### **A BRIT student has told of her horror when she found a video of her partying naked on holiday published online.**

She told the Daily Star Online: "I'm absolutely fuming. I can't believe they can do that without my permission.

I didn't think about where it would go when I saw them filming in the nightclub.

I can't believe this has happened. I knew those places were trashy but this is something else.

The woman, who has not been named, described it as "the most embarrassing thing".

Now, bargain-loving Brits who are looking for a last-minute getaway can book deals to sunny destinations like Costa Brava for as little as Â£92pp.
