LOVE Island's new girl India Reynolds stripped naked in a very sexy shoot before arriving in the villa.

The brunette bombshell, 28, goes completely starkers in the shoot from a London hotel taken 8 years ago.

India Reynolds goes completely naked in a sizzling shoot

Lounging on the bed in pretty floral pyjamas, India shows off her innocent and natural beauty.

But she soon slips the camisole off her shoulders and begins her raunchy striptease.

She begins biting her finger before she tosses her hair and loses her pyjama bottoms.

India perches invitingly on the edge of the bed in the all together showing off the sexy tattoo on her left hip.

She's certainly not shy as she shows off her natural beauty

She ends up completely naked in the sexy photoshoot

She started off in a flirty pair of pyjamas

She bit on her finger seductively as she posed for the camera

In the final snaps she lounges on the bed completely naked and massages her own boobs.

On last night's show the glamour model from Reading caught the eye of both Ovie and Chris as she took both lads on first dates.

Before going into the villa, she said: "I want to have a good time and I don't like falling out with people so hopefully I can be friends with the girls and gorgeous Ovie will still be single for me."

And tonight the boys will go head to head for new girl India's affections.

India has taken both Ovie and Chris on dates in the villa so far

It's easy to see why the boys are fighting for her affections

She's a complete knockout as she sits on the bed and shows off her tattoo

In a first look at tonight's show, Chris laments Ovie and India's connection in the kitchen as he washes them frolic in the swimming pool.

Chris says: "Why's this my life? It's not funny. I think I'm getting Ovied."

In a chat with the lads, Ovie admits both India and fellow new girl Harley caught his eye when he went on his date.

The delighted athlete says: "I've seen both of them.... I was like rahhh."

Michael playfully says to Chris: "Are you scared?"

Chris motions to Ovie and replies: "Look at him?"

Tommy chips in: "You look like you're about to cry."
