Former Disney star Bella Thorne has posed topless just days after announcing she's set to make her directing debut for Pornhub. The 21-year-old showed off her wild side for boyfriend, Benjamin Mascolo, who took the snaps.

Bella posed topless after announcing she's set to make her directing debut for Pornhub.

Sharing the make-up free selfies on Instagram, the star looked directly into the camera as she cupped her breast in bed while showcasing her tattooed arm.

Bella captioned the sultry images with a motivational passage from her latest book, *The Life Of A Wannabe Mogul*.

An insert read: "If you don't know it learn it Learn it Love it Strive with it Forget it Learn it again And again until u know it.

"And the moment u know it Stop because you'll never know it fully Once you think you have learned everything u have started back at square one."

The former Disney star posed for boyfriend, Benjamin Mascolo, who took the snaps.

She posted the Instagram snap alongside a passage from her book, The Life Of A Wannabe Mogul

Fans were quick to praise the star for posting the "empowering" snaps.

One said: "So empowering.. nothing like feeling sexy in your own skin".

Another wrote: "can i look half as pretty as you pleaseeee".

A third simply commented: "Woman crush".

The 21-year-old is partial to a saucy social media post

Last month, the star came out as pansexual in emotional interview on Good Morning America

The saucy snaps come days after the actress announced she is set to direct her first porn film, *Him and Her*.

The movie will premiere at Oldenburg Film Festival in Germany this September, before being made available on Pornhub.

In a behind the scenes Youtube video, Bella admitted it was "quite interesting" to make her directing debut on the sex flick.

She said: "It was quite an interesting experience to have the first thing that really I fully directed have so much sex in it.

Him and Her will premiere at Oldenburg Film Festival in Germany this September

Him and Her will then go on to stream on Pornhub

The film is described as a 'fight over dominance'

"It is quite a fun environment."

Last month, the star came out as pansexual in emotional interview.

The actress spoke openly about her sexuality on TV show Good Morning America, explaining her dating approach was "you like what you like."

She said: "I'm actually pansexual and I didn't know that. Somebody explained to me really thoroughly what that is.

"You like beings. You like what you like."

Bella is currently dating Italian rapper Benjamin after splitting from former boyfriend Mod Sun in April.
