***J-Lo flaunted her incredible curves as she hit the gym***

She was spotted leaving her local gym in Miami, Florida, alongside fianc  Alex Rodriguez, 44.

J-Lo was then pictured climbing into her Porsche sports car - which was an identical match for her bright red sportswear.

She later shared a photo of her in her bright workout gear with the cheeky caption: "Baby, it   s warm outside. #ChristmasInMiami #ChristmasEveSleigh."

The Hustlers star was contrasted in her bright attire by fianc  Alex - who played it casual with a camo hoodie.

Her workout comes after the Jenny From The Block singer and her beau were seen out shopping for last minute Christmas items on Monday.

J-Lo plans to enjoy a "casual" holiday after a busy year that saw her star and produce *Hustlers*, and wrap new rom-com *Marry Me* with Owen Wilson.

Revealing her Christmas plans, she said: "Christmas Day is very casual for our family.

"We wake up, open presents, have breakfast and enjoy each otherâ€™s company.

"Sometimes we wear matching pyjamas to keep things festive."

Lopez will be joined over the holidays with Alex and her 11-year-old twins Max and Emme.

Alex plans to see daughters Natasha, 15, and Ella, 11, from his previous relationship.
