The former Love Island star, 25, wore a printed bikini top and thong, while musician Chelcee opted for a floral design set.

The loved-up pair were spotted taking a romantic stroll before stopping to kiss.

They were also pictured flocking on a swing in the water.

Megan giggled as Chelcee jokingly pushed her off the swing and into the sea.

It didn't take long for the stunning brunette to look past the playful jibe as they were spotted passionately kissing just moments later.

The couple have documented the romantic break online, with them enjoying some topless sunbathing and snorkelling earlier this week.

The couple rekindled their romance in November of last year after splitting the month before.

The Sun Online exclusively revealed that Megan was dating Chelcee following her rocky romance with Towie's Demi Sims.

But the pair hit the rocks when Chelcee, who has written songs for Dua Lipa and Kylie Minogue, decided to set aside their relationship and concentrate on her song writing.

It was later revealed that the pair had both been messaging the same woman, Teddy Edwardes, behind each other's back.

Events promoter Teddy tweeted about the tricky situation, although she didn't name the two women.

She asked her followers: "Iâ€™ve got a girl and her girlfriend in my DMâ€™s but neither of them know the other is doing it.

"When do I break the news or do I carry on and mind my business? ."

But the break didnâ€™t last long and it wasnâ€™t long until they were back in each otherâ€™s arms.

Speaking about their romanceÂ  Megan to Metro Online: "It is definitely different [dating girls to guys].

"My whole life Iâ€™ve never really had a relationship with girls, like I said on Celebs Go Dating. And Iâ€™ve had, sexual experiences with girls and Iâ€™ve had one night stands with girls, but I feel like this is actually me.

"Iâ€™ve never felt so comfortable in my life, I feel like Iâ€™m finally where I should be. Iâ€™ve never felt as comfortable with someone."
