Simone Johnson, the 18-year-old daughter of the professional wrestling legend-turned-actor, has begun training at the WWE Performance Centre in Orlando, Florida., the company announced.

â€œIt means the world to me,â€• Johnson said in a release provided by WWE. â€œTo know that my family has such a personal connection to wrestling is really special to me and I feel grateful to have the opportunity, not only to wrestle, but to carry on that legacy.â€•

Johnson is on a path to becoming the first 4th-generation WWE star. Her great-grandfather, â€œHigh Chiefâ€• Peter Maivia, grandfather Rocky â€œSoul Manâ€• Johnson, and father, Dwayne, all wrestled for Vince McMahonâ€™s wrestling promotion.

Johnson would also become the latest member of the famed Anoaâ€™i family, which includes current stars Roman Reigns, the Usos and Nia Jax, to join WWEâ€™s ranks.

The Performance Center in Orlando is the first step for budding WWE stars. Since moving into the realm of talent development, Paul â€œTriple Hâ€• Levesque has overseen the creation of the facility and helped usher new talent into WWE, specifically the NXT brand.

â€œSimone Johnsonâ€™s unbridled passion and incredible drive has earned her a coveted spot training with the elite athletes from around the world at the WWE Performance Center,â€• Levesque said in the release. â€œNot only does Simone now have an opportunity to cultivate and display her passion for WWE within the Performance Center, but sheâ€™ll carry on the tradition of her incredible family lineage while creating her own impact as WWEâ€™s first fourth generation Superstar.â€•

Simone Johnson is the daughter of WWE legend Dwayne 'The Rock' Johnson.

Johnson will train alongside longtime WWE coaches Matt Bloom and Sara Amato in Orlando. According to WWEâ€™s announcement, Johnson has expressed an eagerness to learn the trade.

â€œSheâ€™s hungry to learn and picks the coachesâ€™ minds, and the veteran Superstarsâ€™, as well,â€• Bloom said. â€œSheâ€™s not going to rest on her laurels. Itâ€™s been a short time, but sheâ€™s been crushing it.â€•

â€œSimone is a wonderful girl,â€• Amato added. â€œSheâ€™s like a sponge, itâ€™s pretty amazing. She knows what it takes to succeed and all the hard work and sacrifice that goes into it. I wouldnâ€™t have expected anything less.â€•

The announcement came shortly after WWE revealed it will hold WrestleMania 37 in Hollywood in March 2021.
