

Liz Hurley puts her back into this saucy snap as she enjoys the sunshine and shows off her figure

23/05/2020 16:08 by admin

Liz Hurley brings plenty of sex-factor 50 as she turns up the heat in a scorching snap.

The Austin Powers actress, 54, shows off her envious figure in just a skimpy yellow bikini while standing in the middle of a field and holding a bottle of sun cream.

Liz Hurley wows as she shows off her incredible figure and poses in a yellow bikini

The star's sultry posing will no-doubt raise the temperature, as well as the heart-rate of her male admirers.

The businesswoman posted the saucy snap to her Instagram account on Thursday.

She wrote: "English sunshine.....but with my trusty SPF 50."

It was warmly received by 1.6million followers.

The businesswoman delighted her 1.6million Instagram followers with the saucy snap

Earlier this week, the beauty posed in a floral bikini while working out in her garden

The British actress told fans 'Every day I like to do a few arm exercises'

Earlier this week, Liz showed off her killer figure during a workout in her garden.

The 54-year-old wore a skimpy floral bikini as she demonstrated a series of simple arm exercises for her Instagram followers on Tuesday.

The British actress told fans, "Every day I like to do a few arm exercises," as she lifted weights above her head.
