French football star Adil Rami used to have sex with Pamela Anderson TWELVE times a night, says one pal.

The former AC Milan and Marseille centre-back, 34, had a two-year relationship with the Baywatch beauty before they split in 2019.

Rami and Anderson endured a very public break-up when their romance ended

Anderson, 52, has had a string of relationships with famous faces

Rami joined Russian club PFC Sochi from Fenerbahce in February and left last month amid a pay dispute.

And ex-teammate Aleksandr Kokorin has told of how Rami boasted of his bedroom romps with the 52-year-old Anderson.

Striker Kokorin, 29, made his revelations in a YouTube chat with Ukrainian footballer Oleksandr Aliyev.

He detailed: "Rami told us a lot of interesting things about Pamela Anderson.

"Of course, everybody was interested in what their relationship was like in bed.

"Rami said that Pamela was the best woman he'd had in his life.

"He said that he and Pamela used to have sex 12 times a night."

One French source remarked: "Maybe this explains his drop in form for Marseille at the time."

The couple parted with Anderson accusing the footballer of cheating on her.

She slammed the centre-back on Instagram, writing: "He lied to [us] all. How is it possible to control two womenâ€™s hearts and minds like this. Iâ€™m sure there were others. He is the monster."

Rami even went AWOL from Marseille training as the feud went public, labelling the former Playboy model a "narcissist" and a "sociopath".

A part of France's World Cup-winning squad of 2018, Rami's reported dream of ending his career in Los Angeles was apparently ended by the break-up.

After failing to figure in any of Les Bleus' seven games in Russia, he retired from international football and is now

without a club.
