The victims also alleged that their stepmother also showed them porn videos apart from drugging them on the pretext of improving their health.

The complaint has been filed based on the statement of the woman's eldest stepdaughter.

UP (India): In a shocking incident, a 47-year-old woman allegedly sexually harassed her stepdaughters after drugging them. The incident took place in Aligarh district of Uttar Pradesh.

The woman has now been arrested by Agra police. The woman had married the victims' father after meeting him on Facebook in February 2020. The biological mother of the girls died last year.

According to a report in Times of India, Aligarh police have lodged an FIR against a woman under Sections 354 (Criminal assault to outrage the modesty of woman) of the Indian Penal Code (IPC) and relevant sections of the Protection of Children from Sexual Offences Act (POCSO) 2012.

The complaint has been filed based on the statement of the woman's eldest stepdaughter. According to the victim, her stepmother used to give them drugs on the pretext of improving physical health and sexually harass them.

The girl also alleged that the woman, who claims to be a nurse, also showed porn videos.
