

## **Jennifer Lopez, 51, shows off her 'beach bum' after revealing intense workout routine**

08/01/2021 17:09 by admin

Jennifer Lopez shows her cheeky side as she takes a break on the beach.

The singer, 51, captioned this social media snap “Beach bum” as she kicked back after bringing in the new year on US TV.

*JLo, 51, showed her incredible bum in a skimpy bikini*

*Lopez works hard for her figure and works out regularly*

But she isn’t slacking off in the gym, and still works out regularly.

Trust her to be ahead of the curves.

Jennifer is no stranger to wowing fans with her incredible body and good looks - she recently took to Instagram in a sexy red bikini.

Plus, the mom-of-two took part in Megan Thee Stallion's Body-Ody challenge alongside her 12-year-old daughter Emme.

*J Lo previously showed off her figure in a skimpy red bikini*

*The singer is due to marry baseball player Alex Rodriguez*

The singer is due to marry baseball player Alex Rodriguez, but admitted she was having second thoughts on the marriage in a radio interview.

She told audiences of Andy Cohen's show: "There's no rush. It will happen when it happens."
