Spider-Man star Tom Holland says he would love to suit up and play British spy James Bond in future. The 24-year-old actor, who is best known for essaying the role of Peter Parker/ superhero Spider-Man in the Marvel Cinematic Universe, quipped at 5 feet 6 inches, he will be a "really short" Agent 007.

"Ultimately as a young British lad who loves cinema, I'd love to be James Bond. So you know, I'm just putting that out there. I mean I look pretty good in a suit! I'd be like a really short James Bond," Holland said on Variety Award Circuit podcast.

The actor was last seen in psychological thriller *The Devil All the Time*, which released on Netflix in September.

Before starring in the third chapter of *Spider-Man*, Holland will again change gears with crime drama *Cherry*, in which he will reunite with Russo Brothers after *Avengers: Endgame*, and *Chaos Walking*, a sci-fi action adventure thriller.
