

Daphne Joy poses seductively in VERY revealing cut-out dress for hilltop photoshoot

10/03/2021 18:25 by admin

Daphne Joy put on a super curvy display at a photoshoot on Tuesday. The 34-year-old ex-girlfriend of 50 Cent put her bombshell hourglass figure on display in a slinky barely-there white dress as she posed up a storm for the camera.

Daphne was seen at an impressive hilltop house in the Hollywood Hills which boasted an infinity pool, perfect for the glam and sultry shoot.

Vision in white: Daphne Joy looked stunning as she posed up a storm during a shoot in Los Angeles on Tuesday

Â

Curves on show: The 34-year-old Internet sensation wore a revealing white cut-out dress

She's got it: Daphne reclined on the floor for some more striking shots

So seductive: The model pulled at her skimpy dress while gazing at the camera

Hollywood life: The photoshoot took place at an impressive home in LA with infinity pool overlooking the city

Leggy look: The mother-of-one's dress flashes a lot of skin with a large cut-out

All eyes on you: In 2011 Daphne started a relationship with In Da Club rapper 50 cent, 45, and in 2012 welcomed their son Sire, now eight

Windswept: It was an overcast day in LA but Daphne still managed to make it look amazing

'What's the tea' Daphne captioned this sexy snap she shared to Instagram on Tuesday
