Chrissy Teigen recently took the internet by storm after posting a topless picture alongside 2-year-old son.

*'I'm trying to be thirsty!': Chrissy Teigen set her social media ablaze on Tuesday night after posing completely topless while standing over her adorable two-year-old son*

She recently accompanied her musician husband for his victorious night at the Grammys.

And on Tuesday, Chrissy Teigen stole the spotlight once again on her Instagram account, posing completely topless while standing over her adorable two-year-old son Miles.

The model, 35, was quick to hit back at trolls who claimed they were 'cringing' at the hilarious snap, joking: 'Wait until they find out we take baths together!'

*So sweet: That same day Chrissy posted another sweet snap of herself hugging Miles in the kitchen*

*Baby mine: She also uploaded a picture of her daughter Luna beaming up at the camera wearing a sweet green printed dress*

*Family: On Sunday night Chrissy got dressed up to virtually attend the Grammys with husband John, as the couple accepted his honour for Best R&B Album from their living room*
