RAFAEL VAN DER VAART'S stunning ex-wife Sylvie Meis has once again shown off her incredible bikini body while on holiday.

The 43-year-old revelled in the Saint-Tropez sunshine with her husband, with the duo snapped in a tender embrace while chilling in the sea.

Meis regularly frequents the idyllic French Riviera spot

The Dutch model married Niclas Castello in September 2020 after their initial summer nuptials were delayed due to coronavirus.

Yet Meis proved she was very much in the honeymoon phase almost a year later after the pair returned to their favoured French Riviera spot.

The TV personality has been keeping fans updated on her excursion on Instagram and her supporters have been quick to comment.

One gushed: "Sylvie! You look outrageously stunning! You are an angel! You are a dream! You are a fantasy! You are such a queen!"

Another messaged: "Beauty at the beach."

A third added: "Like a second sunrise!"

One simply stated: "Body goals."

Meis is no stranger to showing off her body at the beach, having wowed on the island of Saint Barthelemy in December 2019.

That same month she was also enjoying the Miami sunshine, as she strutted along the beach in a skimpy purple bikini.

Meis' eight-year marriage with former Tottenham star Van der Vaart ended back in 2013.

SunSport previously reported that VDV urged Thomas Tuchel to drop Timo Werner at the end of the last season.
